## EXPERIENCE

**The Charles NYC.** – New York, NY

**Front-End Development Intern**, February 2017 – May 2017

As an intern, I work with the development team to create responsive websites for the agency's clients. I developed skills in SASS, utilized plugins and resources available for the team, WP Theming, QA, gulp and working with an actual development team.

**Georgia Southern IT Dept.** – Statesboro, GA

**Teacher Assistant & Tutor**, May 2014 – December 2016

Assisted web development professors in helping their students learn about HTML, CSS, JavaScript and Bootstrap. Learned to quickly identify errors on labs, graded assignments, and explain information about web technologies used in class to students while offering great customer service.

**PlayTooMuch** – New York, NY (Remote)

**Web Development Intern**, June 2016 – December 2016

Responsible for adding or modifying content on PlayTooMuch.com, a music blog, using WordPress CMS and my knowledge of HTML, CSS, and responsive design heavily.

**Georgia Southern University** - Statesboro, GA

**Student Developer**, July 2015 – July 2016

Helped revamp outdated university pages using HTML, CSS, and Bootstrap as well as pitch in possible ideas for the university student portal. Met with student team every Wednesday to discuss projects.

**Georgia Southern University Campus Recreation & Intramurals** – Statesboro, GA

**Web Assistant**, April 2015 – Dec 2015

Assisted in web updates for CRI website and calendar using WordPress CMS, HTML and CSS.

**Howard Bros Technology** - Statesboro, GA

**Web App and Graphic Intern**, Aug 2013 – March 2014

Completed tutorials on Udemy, CodeSchool and CodeAcademy about web development and UX. Created responsive desktop, mobile, and tablet wireframes and sites for projects.
